Lifetime MEMBERS ONLY Access Overview

PUPPY PREP - The Online Puppy School!

Our easy-to-use and fun-to-follow training curriculum is as much about teaching your dog how to act, as it is about coaching you how to train. It includes more than 65 lessons and over 100 how-to video demonstrations, in addition to printable charts & checklists, tips, tricks, tools & techniques and so much more - especially when complimented with the other included resources highlighted below!

I highly recommend this training program! I love the practical tips and the 'learn at your pace' format. The combination of written information and the how-to videos is really nice. I also had a specific problem with my puppy and I contacted Amy - she was quick to respond with the thorough and personalized help I needed. LOVE IT!
